

## LOCKER and LOCK USE AGREEMENT

### I agree to the following:

- to use the lock provided by the Department of Chemical and Biomolecular Engineering
- to utilize the locker to which I was assigned
- to vacate and clean out my locker every spring semester by 5PM on the Friday immediately after spring commencement
- to vacate and clean out my locker upon graduation, or in the event that I cease to be a student in the Department of Chemical and Biomolecular Engineering, by 5PM of the Friday immediately following commencement for that semester
- to be held responsible for the loss of the lock I was issued
- to pay a \$20 fine for the loss of the lock or failure to vacate and clean out my locker by the aforementioned deadlines

### I also understand and agree that:

- locker use is only for the major students (i.e. not pre-major) enrolled in the Department of Chemical and Biomolecular Engineering
- one locker and one lock are assigned per student
- storing of hazardous materials, illegal substances, or weapons is prohibited
- locker contents collected after the aforementioned deadlines will be discarded
- the Department of Chemical and Biomolecular Engineering is not responsible for the loss or damage to any personal property inside of the lockers
- the Department of Chemical and Biomolecular Engineering reserves the right to access lockers or revoke locker privileges at any time
